About Fred C. Church Insurance

Fred C. Church is proud to be a leading risk management advisor and insurance broker for charter schools, independent schools, colleges and universities in New England. Our Education Practice is honored to serve nearly 200 institutions ranging from a charter public school with less than 100 students to an internationally acclaimed university with over 20,000 students. Our charter school consortium is dedicated to serve all qualified Massachusetts Charter Public Schools and is at 20 members and growing. We welcome the opportunity to get to know your school and promise you four things: confidentiality; complete candor; a commitment to excellence; and a no-pressure, educational approach to serving your needs.
