

STAND UP FOR CHARTER SCHOOLS!

Make Your Voices Heard!

State House Day

April 11, 2013, 9 am-2 pm

As a charter public school parent, you know the importance of school choice but that message doesn't always reach your legislators on Beacon Hill.

On April 11th, join with hundreds of charter school parents to tell your story. Hearing from parents and students about the positive impact charter public schools have on our lives and communities is crucial in our efforts to protect our schools and promote legislation to LIFT THE CAP on charter schools.

Your child is one of the lucky ones attending a charter school.

Right now, 45,000 children--many of them your family, friends and neighbors-- are waiting for the opportunity to be a part of the charter community, and they need your help to succeed! Legislators need to hear your stories!

Bring your voices to Beacon Hill and help support your school and support legislation to "Lift the Cap on Quality!"

To register for this event talk to your school leader or go to www.masscharterschools.org/events.

MORE CHARTERS, MORE CHOICE, MORE OPPORTUNITY
