About Innovative Promotional Concepts

I have worked with Charter Schools for 7 yrs providing branded merchandise & embroidered/silkscreened apparel used for uniforms, events, fundraisers, & gifts. Recruitment Fairs for tutors include tablecloths, banners, & give-aways. My ability to provide branded merchandise/clothing & strategic marketing campaigns can help create a school 'community', enhance fundraising efforts, recruitment efforts for teachers/tutors, & strengthen public advocacy efforts for the future of Charter Schools. Please contact my listed references - they will assure you that I understand the goals of the Charter Schools & that I take charge of projects from the planning stage to delivery allowing them to concentrate on their jobs & their students.
